Illinois College welcomed Alicia Wood as the head coach of women's volleyball in 2020. Prior to joining IC, Coach Wood spent two seasons as an assistant coach at DePauw University, helping guide the Tigers to the NCAA Tournament in each of the past two seasons.

She has also served as an assistant coach at Cuyahoga Community College, where she helped the program to its best overall record in school history in 2016 and coached six all-conference selections over three seasons. Wood began her college playing career at Bluffton University for two seasons before transferring to Ursuline College where she graduated in 2015.

Coach Wood is excited to build on the success of the IC volleyball program in recent years and to continue to create connections throughout the Jacksonville community.

ILLINOIS COLLEGE VOLLEYBALL CAMPS

are designed to teach technique, improve skills, and provide attendees with numerous repetitions. Our hope is that all our campers will enjoy themselves while working hard to improve their individual skills. We want our camps to be an enjoyable and worthwhile experience for all attendees. We will focus on fundamentals and basic volleyball techniques. Campers will participate in drills, games and competitive situations. Campers will be divided into groups based on age and skill level. All attendees will be coached by current and former players and coaches at Illinois College. Not only will the individual's skills improve, but attendees will become versatile players and learn the importance of sportsmanship. Camp will be led by current Lady Blues Head Coach, Alicia Wood. Assistant Coach Dalton Tucker and current and former players will also be assisting.

LOCATION OF ALL CAMPS: Bruner Fitness and Recreation Center
